INFORMATION DISCLOSURE STATEMENT

Sir:

In compliance with the Applicants' duty of disclosure under 37 CFR 1.56, the applicants submit this Information Disclosure Statement pursuant to the provisions of 37 CFR 1.97. A PTO Form 1449 listing references known to the applicant is attached. A copy of each reference is also attached.

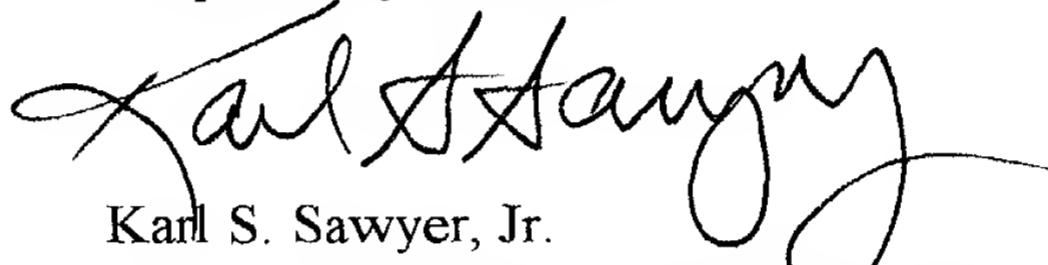

No admission is made that the information cited in this Statement is, or is considered to be, material to patentability nor a representation that a search has been made (other than search report(s) from a counterpart foreign application or a PCT International Search Report, if submitted herewith). 37 CFR §§ 1.97(g) and (h).

The present application corresponds to a German patent application filed by the applicant, from which priority for the present application is claimed. The applicant has received a Search Report from the German Patent Office identifying references made of record in the

corresponding German patent application. For the convenient reference of the Examiner, a copy of the German Search Report is also attached.

As to non-English references, an English abstract and/or a U.S. Patent or other English language counterpart is also attached for each such reference. The Examiner is encouraged to undertake his or her own detailed evaluation of these references.

Respectfully submitted,

Karl S. Sawyer, Jr.
